EIFFEL SCHOLARSHIP APPLICATIONS - 2016 **General Information**

To help us with the application files for Eiffel scholarship we will ask you to send us the following documents:

1. Information about the recruitment process of the candidates. Please give details about how the applicant have been selected among other candidates, (did you organise a competitive examination, or a jury, how much candidates apply, etc.).
2. Assessment about the academic excellence of the candidate. Please give details about the academic excellence of the candidate, and also about his personality, motivations, professional experience, his qualities and skills, etc.
3. Ranking certificate of the candidate in your university (department, school, class, etc.).
4. French or English curriculum vitae (maximum two pages). Please give details also rankings, notes, internships,
5. Professional project of the candidate (maximum two pages). The candidates should explain their choices about their studies, why they desires to study in our School, and what is the connexion with their previous studies and with their professional project in the future.
6. A recommendation letter (other than the recommendation letter submitted for the application to the ENPC).

Thank you in advance for keeping the deadlines. Thus this is important for us that you respect the calendar and this will enable us to send your students application to Eiffel grant as soon as possible.

We remain at your disposal for any inquiry regarding these procedures. Do not hesitate to contact me for any further question.
