

Conference on Ulam's Type Stability

July 4-9, 2016, Cluj-Napoca, Romania

We are very honored to bestow upon

Professor Themistocles M. RASSIAS

of the National Technical University of Athens

the Award for Lifetime Achievements in Mathematics

*Professor Rassias has made fundamental advances in Nonlinear Analysis
through his seminal contributions in Stability Theory, Approximation
Theory, and Inequalities*

Professor Dorian Popa (Romania)

Chairman of the Organizing Committee

Professor Janusz Brzdęk (Poland)

Chairman of the Scientific Committee

Cluj-Napoca, July 4, 2016
