

February 14, 2018

To whom it may concern:

Nagaoka University of Technology (NUT) is currently inviting students from overseas universities to apply for the Nagaoka Summer School for Young Engineers (NASSYE) in 2018. This program is open to students in the third year of university undergraduate programs. The program offers students the opportunity to participate in research on the topics set by the laboratories at NUT, as well as cultural exchange.

Our university will accept 20 students for 2018 Nagaoka Summer School for Young Engineers (NASSYE). The students participating in this program will receive the scholarship.

All programs of NASSYE will be conducted in English.

It is highly appreciated if you kindly put the enclosed poster on the notice board in your department or related department. And we would appreciate if you could inform the eligible applicants of the detail of this program. Please note that the application deadline is **April 13, 2018**.

Application Procedure and Details:
