

MATLAB Hour

November 10th 2021
17:30-18:30

Did you know that the NTUA has now a Campus Wide License and the Students have free access to MATLAB, Simulink and all related Toolboxes?

Join MathWorks and MENTOR Hellas in this upcoming webinar and learn about the free Campus Wide License resources available to all Students

[Join the event from here](#)
(Password: MatlabNTUA2021)

Who Should Attend:

All Students that have MATLAB related courses, first year students and heavy users.

What You Will Learn

- Why should I install MATLAB?
- How do I access MATLAB?
- Where do I learn the MATLAB basics
- MATLAB Online and cloud resources
- Running MATLAB on my smartphone
