Student registration

Written consent form on personal data

According to GDPR (EU) 2016/679, Directive (EU) 2016/680 & Law 4624/2019

The undersigned, PhD Candidate of the School of Civil Engineering of the National Technical University of Athens, at the time of my registration at the School, I declare that:

I hereby consent to the School's Secretariat of transmitting my personal information, such as indicatively, my name, the date of registration at the Institution, email address and the date of graduation, throughout my studies, but also after my graduation, with purpose:

- a) the implementation of activities concerning the institutional operation of all structures and services of the Foundation,
- b) my own information or inclusion in actions that concern me in my student capacity, if deemed necessary and to the minimum necessary extent, to bodies such as, indicatively and not limited to, the State Scholarship Foundation (I.K.Y.) , the student associations, the Technical Chamber of Greece (TEE), the Ministry of Education Religious Affairs and Sports (YPAITHA) and the Ministry of Digital Governance, as well as any other service or N.P.D.D. succeed the above, as well as any other service to which the Foundation deems appropriate to forward them for the above purposes only.

*In the event of not sending an explicit negative response regarding the non-acceptance of the above in your letter to the School Secretariat, it is considered that you consent to the use of your personal data in accordance with the above.

Any letter of your explicit negative response should be sent to the School's Secretariat email address: ekponisi_diatrivis@civil.ntua.gr
